Peer Reviewed Publications

Bailey, J. (2021). Political Surveys Bias Self-Reported Economic Perceptions. *Public Opinion Quarterly*. Available at: <https://doi.org/10.33774/apsa-2021-13lpq>.

Mellon, J.; Bailey, J. & Prosser, C. (2021). How Do Coronavirus Attitudes Fit into Britain's Ideological Landscape? *Parliamentary Affairs*. Available at: <https://doi.org/10.1093/pa/gsab030>.

Fieldhouse, E.; Cutts, D. & Bailey, J. (2020). Who cares if you vote? Partisan pressure and social norms of voting. *Political Behavior*. Available at: <https://doi.org/10.1007/s11109-020-09661-y>.

Bailey, J. (2019). The fact remains: Party ID moderates how voters respond to economic change. *Electoral Studies*, 61(102071). Available at: <https://doi.org/10.1016/j.electstud.2019.102071>.

Manuscripts Under Review

Bailey, J.; Sanders, A.; Barclay, A. & McDonnell A. Voting at the Intersection of Sexuality and Gender.

Working Papers

Bailey, J. What's the Half-Life of the Economic Vote? (About a Year and a Half). Available at: <https://doi.org/10.33774/apsa-2021-kdrwl-v3>

Select Conference Papers and Invited Presentations

What's the Half-Life of the Economic Vote? (About a Year and a Half) <i>Midwest Political Science Association Conference, 2021</i>	Apr. 2021
What's the Half-Life of the Economic Vote? (About a Year and a Half) <i>Political Behaviour Colloquium, European University Institute</i>	Oct. 2020
Voting at the Intersection of Sexuality and Gender <i>Queer Politics at Princeton, Princeton University</i>	Oct. 2020
Causal Inference for Ordinal Outcome Variables <i>PSA Political Methodology Conference</i>	2020
The Behaviour of Gay, Lesbian, and Bisexual Voters in Britain <i>American Political Science Association Conference</i>	2019
The Behaviour of Gay, Lesbian, and Bisexual Voters in Britain <i>Political Studies Association Conference</i>	2019
Imperfect Perceptions: How Latent Confounding Explains the Economic Vote <i>Leuven-Montréal Winter School on Elections</i>	2019
Party ID Moderates How Voters Respond to Economic Change <i>Political Studies Association Conference</i>	2019
Structural Equation Modelling for Political Research <i>PSA Political Psychology Conference</i>	2018
Competing Competence: A New Model of the Economic Vote <i>Elections, Public Opinion, and Parties Conference</i>	2018

Funding and Awards

- | | |
|--|------|
| • UoM Faculty of Humanities Award for Distinguished Achievement (£100) | 2021 |
| • Leuven-Montréal Winter School, Best Paper (€500) | 2019 |

- PSA ECN Conference, Best Paper 2018
- YouGov, Survey Funding (£60,000) 2017–2020
- YouGov, Travel and Accommodation Research Funding (£5,000) 2017–2020
- ESRC, Data Science Stipend (£9,000) 2017–2020
- ESRC, CASE Studentship (£58,494) 2017–2020

Teaching

- Understanding Political Change (Instructor) 2021
- Introduction to Data Analysis 1 (Instructor) 2019
- Introduction to Data Analysis 2 (Instructor) 2019
- Structural Equation Modelling using MPlus (TA) 2019
- Making Sense of Politics (TA) 2017–2019
- Researching Culture and Society (TA) 2018
- Longitudinal Data Analysis (TA) 2018
- Introduction to Longitudinal Data Analysis (TA) 2018
- Introduction to R (TA) 2017

Methods Training

- Bayesian Methods, University of Lancaster 2018
- Methods for Missing Data, University of Lancaster 2018
- Longitudinal Data Analysis, University of Manchester 2017
- Multilevel Modelling, University of Manchester 2017
- Structural Equation Modelling, University of Manchester 2017
- Social Network Analysis, University of Manchester 2017
- Survey Methods, University of Manchester 2016

Additional Skills, Experience, and Service

- Key skills include statistical analysis, the R programming language, the Stan probabilistic programming language, longitudinal and panel data, structural equation and latent variable modelling, experiments and causal inference, and Bayesian statistics
- Experience organising events including a small conference on the 2017 UK general election and numerous large-scale public lectures and events
- Four years experience at LSE and Cardiff University on knowledge exchange projects
- American Political Science Association and Political Studies Association member
- Reviewer for *The American Political Science Review*, *The International Journal of Forecasting*, and *Electoral Studies*
