Jack Bailey

jack.bailey@manchester.ac.uk
+44 (0)7446 875623

Appointments

Lecturer in Quantitative Politics   2023–Present
The University of Manchester

Research Associate on the British Election Study   2020–2023
The University of Manchester

Visiting Fellow   Sept–Dec 2019
The University of Texas at Austin

Education

PhD Politics   2017–2022
The University of Manchester

PGDip Social Research Methods and Statistics   2016–2017
The University of Manchester

MA Politics   2011–2012
The University of Sheffield

BA (Hons.) Business Management   2008–2011
The University of Sheffield

Book Projects

Fieldhouse, E.; Green, J.; Evans. G.; Mellon, J.; Prosser, C.; and Bailey, J. (2024). *Electoral Realignment*. Under contract at Oxford University Press

Peer Reviewed Publications

Fieldhouse, E. and Bailey, J. (2023). A New Electoral Map? Brexit, Realignment and the Changing Geography of Party Support in England. *Political Geography*.

Bailey, J. (2021). Political Surveys Bias Self-Reported Economic Perceptions. *Public Opinion Quarterly*. Available at: https://doi.org/10.33774/apsa-2021-13lpq.

Mellon, J.; Bailey, J. & Prosser, C. (2021). How Do Coronavirus Attitudes Fit into Britain's Ideological Landscape? *Parliamentary Affairs*. Available at: https://doi.org/10.1093/pa/gsab030.

Fieldhouse, E.; Cutts, D. & Bailey, J. (2020). Who cares if you vote? Partisan pressure and social norms of voting. *Political Behavior*. Available at: https://doi.org/10.1007/s11109-020-09661-y.

Bailey, J. (2019). The fact remains: Party ID moderates how voters respond to economic change. *Electoral Studies*, 61(102071). Available at: https://doi.org/10.1016/j.electstud.2019.102071.

Manuscripts Under Review

Bailey, J. Common Retrospective Economic Perception Items Show Good Test-Retest Reliability. Under review at *The Journal of Elections, Public Opinion, and Parties*. Under review at *Research & Politics*. Available at: https://doi.org/10.33774/apsa-2022-nhhsv-v2

Working Papers

Mellon, J., Bailey, J., Scott, R., Breckwoldt, J., & Miori, M. Do LLMs know what the Most Important Issue is? Using Large Language Models to Code Open-Text Social Survey Responses At Scale. Available at: https://ssrn.com/abstract=4310154

Fieldhouse, E., Bailey, J., & Prosser, C. Campaign Slogans, Political Identities, and Emotional Responses.

Bailey, J. What's the Half-Life of the Economic Vote? (About a Year and a Half). Available at: https://doi.org/10.33774/apsa-2021-kdrwl-v3

Funding and Awards

- UoM Faculty of Humanities Award for Distinguished Achievement (£100) 2021
- NWSSDTP/ESRC Overseas Institutional Visit Funding (£4,000) 2019
- Leuven-Montréal Winter School, Best Paper (€500) 2019
- PSA ECN Conference, Best Paper 2018
- YouGov, Survey Funding (£60,000) 2017–2020

- YouGov, Travel and Accommodation Research Funding (£5,000)   2017–2020
- ESRC, Data Science Stipend (£9,000)   2017–2020
- ESRC, CASE Studentship (£58,494)   2017–2020

Select Conference Papers and Invited Presentations

What's the Half-Life of the Economic Vote? (About a Year and a Half)   Mar. 2023
DPIR Politics Colloquium, Oxford University

What's the Half-Life of the Economic Vote? (About a Year and a Half)   Apr. 2021
Midwest Political Science Assocation Conference, 2021

What's the Half-Life of the Economic Vote? (About a Year and a Half)   Oct. 2020
Political Behaviour Colloquium, European University Institute

Voting at the Intersection of Sexuality and Gender   Oct. 2020
Queer Politics at Princeton, Princeton University

Causal Inference for Ordinal Outcome Variables   2020
PSA Political Methodology Conference

The Behaviour of Gay, Lesbian, and Bisexual Voters in Britain   2019
American Political Science Association Conference

The Behaviour of Gay, Lesbian, and Bisexual Voters in Britain   2019
Political Studies Association Conference

Imperfect Perceptions: How Latent Confounding Explains the Economic Vote   2019
Leuven-Montréal Winter School on Elections

Party ID Moderates How Voters Respond to Economic Change   2019
Political Studies Association Conference

Structural Equation Modelling for Political Research   2018
PSA Political Psychology Conference

Competing Competence: A New Model of the Economic Vote   2018
Elections, Public Opinion, and Parties Conference

Teaching

- Understanding Political Change (Lecturer)   2021–Present
- Introduction to Data Analysis 1 (Lecturer)   2019

- Introduction to Data Analysis 2 (Lecturer)   2019
- Structural Equation Modelling using MPlus (Teaching Assistant)   2019
- Making Sense of Politics (Teaching Assistant)   2017–2019
- Researching Culture and Society (Teaching Assistant)   2018
- Longitudinal Data Analysis (Teaching Assistant)   2018
- Introduction to Longitudinal Data Analysis (Teaching Assistant)   2018
- Introduction to R (Teaching Assistant)   2017

Methods Training

- Bayesian Methods, University of Lancaster   2018
- Methods for Missing Data, University of Lancaster   2018
- Longitudinal Data Analysis, University of Manchester   2017
- Multilevel Modelling, University of Manchester   2017
- Structural Equation Modelling, University of Manchester   2017
- Social Network Analysis, University of Manchester   2017
- Survey Methods, University of Manchester   2016

Additional Skills, Experience, and Service

- Key skills include statistical analysis, the R programming language, the Stan probabilistic programming language, the Stata and SPSS statistical software packages, longitudinal and panel data, structural equation and latent variable modelling, experiments and causal inference, and Bayesian statistics
- Experience organising events including a small conference on the 2017 UK general election and numerous large-scale public lectures and events
- Four years experience at LSE and Cardiff University on knowledge exchange projects
- American Political Science Association and Political Studies Association member
- Reviewer for *The American Political Science Review*, *The International Journal of Forecasting*, and *Electoral Studies*
